Her previous work:

She released in January her single "RUN TO ME", produced by Andre Werneck and Mauricio Cury and mastered by the Grammy Award Winner Sound Engineer Paulo Jevaux.

With the same producers Gisele released in June her newest single "SOMETHING". The Track reached right on that week the #1 position Trend of the Day on the Digital DJ Pool website and position #3 House Charts.

In March 2020 she had her vocals featured on "Samba do Noite", a Track from Dominican-American Grammy Award Winner producer and house music DJ Roger Sanchez (The SMen).

Vocalist of the Group Dalimas (Building Records), formed in 2003 with producer Tibor Yuzo and DJ Tom Hopkins, Gisele performed her hits at the Planet Pop Festival 2004, 2005 and 2006, a two-day dance music festival in São Paulo, Brazil.

Dalimas had a massive and loyal fanbase and presented her songs from her debut album "Dreams" at the Marafolia Festival for a 30.000 people audience.
